Vehicles used for the sole purpose of transporting people will be excluded from this section with the exception of tractor trailers, trailer cabs, dump trucks, earth moving equipment, tow truck, flatbeds, school buses and other such vehicles.
6. No structure shall be erected on any tract other than one private dwelling to be suitable for the use of , and to be used by , a single family only , with one car or two car garage attached or detached from the dwelling and suitable only for the use , and to be used only by the occupants of such dwelling. Nor shall anything be done on any parcel or in any structure therein which may be an annoyance or nuisance to the owners or occupants of neighboring lands.
7. No part of any tract shall be subdivided, conveyed or transferred apart from the whole thereof.
8. The finish grade of any parcel after construction or after alterations shall conform with the plans submitted to the Association and all State, Federal and local requirements. All drainage swales or ditches shall be kept free and clear of soil, debris and other material by the owner and any landscaping carried out by the owner shall not interfere with or alter in any way the drainage plan. Wherever ditches exist or are constructed, the owner(s) will be required to install a culvert pipe of eighteen (18) inches in diameter, made of plastic or galvanized coated steel. The owner(s) of the property are responsible for the cost of the pipe. For a fee, the owner of the property may request that the Association install the pipe. In that event, the owner will be responsible for the time of the employees, the cost of the stone, the cost of the pipe and any other materials used for the installation of the pipe. Any exception must be approved in writing by the Director of Operations and /or the Board of Directors.
 - a) If the homeowner will be paving or repaving the driveway, the owner must first apply at the Administration Office for a permit to determine if a culvert will be required.
9. No trailer, tent, barn, outbuilding, shack or other structure shall be erected on any lot to be used as a residence. No basement or garage shall, at any time, be used as a residence either temporarily or permanently and no house shall be occupied prior to completion and the issuance and Certificate of Occupancy.
10. Prior to taking occupancy of any dwelling a sewage disposal system of standard design and in location approved in writing by the Association, shall be installed by the owner and such system shall comply with all requirements of local and State codes. The effluent from such disposal shall not be permitted to discharge into any storm sewer, open ditch, drain, stream, pond or lake, but shall be disposed of in such a manner as may be approved by the Association and the state. And further, no sewage disposal system or seepage pit, drainage field, etc, nor any part thereof, shall be allowed to over flow at any time or shall be located within 100 feet of the high water mark of any lake, pond or stream.

11. Any holes dug on any lot for the purpose of determining the suitability of the lot for subsurface disposal of sewage shall be filled within one (1) month of the date they are dug or within five (5) days of the date testing is completed whichever shall come first.

The holidays on which contractors will be denied admission or permission to work in Wild Acres will be Christmas Day, New Year's Day, Memorial Day, Fourth of July, Labor Day, Good Friday, Thanksgiving Day and Presidents Day. All work must be completed by 6:00pm. Construction vehicles may not be moved from site to site or started before 8:00am or after 6:00pm and on Saturdays before 9:00 am and after 3:00pm. At the end of every working day (6:00 PM), construction vehicles/ contractor and/ or builder's vehicles must be removed from any WALPOA right-of-way, e.g., either totally removed from the community or, with the individual property owner's permission, parked in a private driveway near the site and within the boundaries of the respective property, or parked within the boundaries of the property on which they' are working. Contractors are required to maintain a suitable refuse container as designated by the Director of Operations or their designated representative on the building site at all times during construction. Contractors are required to maintain a port -a-john on site at all times during construction. It will be the responsibility of the contractor and the deeded owner for whom he is performing work for to ensure all roads are clear of any debris caused by the contractor's vehicles prior to 6:00pm of the same day the debris was left and 3:00pm on Saturdays.

Exceptions- For emergency purposes only exceptions may be granted by the Director of Operations or Public Safety Chief. The request must be presented in writing stating the specific reason.

25. Homeowners who intend to build anything additional on lots that require a permit from the Township, a copy should go to the Front Office for homeowner's file. Homeowners are responsible to go to the office to obtain permits for fences and other structures that do not require Township permits. Any structure in violation of WALPOA Rules and Regulations, the homeowner will be responsible to remove said structure.
26. Unless given specific permission from property owner, any trespassing will be considered prohibited and result in a fine.
27. No feeding any type of wild animals at any time on resident property and/or common areas within the Association.

ARTICLE XI

FENCE, WALL, SHRUB AND TREE REGULATIONS

A-General Policy-

1. Fences, walls, shrubs and trees should be attractive as well as serviceable and be in keeping with the natural beauty of the community. They shall not interfere with the sight distance of any road or intersection.
2. Prior to erecting any wall or fence an application must be completed at the Office and approved by the Director of Operations.
3. Since fences, walls, shrubs, and trees may only be installed on your property, it is important to know exactly where the property lines are. Existing pins from a previous survey may be used however, if there are no existing pins in place, the owner will be required to have their property corners marked by a Licensed Surveyor. In the event there is any question regarding the location of a fence that is close to the property line, the Director of Operations may require a current survey. If it becomes necessary for the Association to have a survey performed to determine if a violation exists or to confirm the location of the property pins, the cost for such survey shall be billed to the owner. This determination will be made by the Director Of Operations. Any member who has erected any fence/wall/shrub or tree on Association property (including roads and berm) will be required to remove them within thirty (30) days of notice of such violation.
4. The installation of any of the foregoing affects both your property and surrounding properties. It is a good idea to discuss your plans with your neighbors. When erecting a fence or wall it is important to take into consideration that to maintain them it may be necessary to enter upon your neighbor's property. No fence or wall shall be erected so as to unreasonably block the view from any windows or doors or other location

of any neighbor. The party requesting permission to erect a fence or wall at the location and height request in such situation may obtain approval to do so only upon showing a compelling reason to do so.

5. Every fence or wall shall be constructed in a substantial, workmanship manner. Every fence or wall shall be maintained in a condition of reasonable repair and shall not be allowed to become and remain in a condition of disrepair, damage, unsightliness, or constitute a nuisance. No fence or wall shall have any sharp protrusions or other conditions which will be likely to cause damage to a person or property. Any fence which has become dangerous to Public Safety, health or welfare or has become unsightly through improper maintenance or neglect, or is a nuisance will cause a summons to be issued.
6. As of the enactment of these regulations, any existing fences or walls which do not extend beyond the owner's property lines will be considered approved.

B. Fencing and walls

1. If only one side has finished materials that side must face the public side of the individual lot. Posts and hardware (except gate hardware) should be hidden from public view where possible.

C. Front and front side yard fences

1. For the purpose of these regulations, front yard shall be defined as all areas between the front face of the building and the front property line. The front/side shall be all property from the side property lines to the beginning of the front face of the foundation.

See figure 1

2. Distance from lot line- may be erected up to but not on the front property line. Height-no more than four (4) feet.

D Rear and rear side yard fences

1. For the purpose of these regulations, rear yard fences shall be defined as all areas between the rear property line and the back face of the foundation. The side/rear shall be defined as all property between the side property line and the side face of the foundation. *See figure 2*

2. Distance from lot line- may be erected up to but not on the rear property line. Height- no more than eight (8) feet.

E. Type of fences permitted

3. Physical assault of any Association member or employee will be assessed and prosecuted to the fullest extent of the law.
4. All rules and regulations will be enforced with discretion by the Public Safety force.

ARTICLE XX
HEARING BOARD

QUALIFICATIONS AND NUMBER

A Hearing Board shall be established and appointed by the Board of Directors.

The term of a Hearing Board member shall be three (3) years. In the event a member wishes to continue to serve; the board may re-appoint him at that time. A Hearing Board member may be removed with cause by the Board of Directors.

The Hearing Board shall be comprised of at least five (5) members in Good Standing and a quorum of three (3) will be required to hold a meeting.

A Board Member may not be a member of the Hearing Board.

Any current employee of the Association may not be a member of the Hearing Board.

Hearing Board members may not be directly related by blood or marriage to the accused or any member of the Board of Directors.

MEETINGS /HEARINGS AND PROCEEDINGS

Physical or verbal abuse directed toward any Hearing Board member will not be tolerated. Legal action may be taken against the offender, if deemed necessary.

Whenever possible, meeting/ hearings of the Hearing Board will be held once a month.

The proceedings of the Hearing Board will be tape recorded, cataloged and kept in the Association safe until, at such time the assessment/ fine has been satisfied.

Decisions—Majority vote will rule at the hearing.

Children under the age of twenty —one (21) will not be permitted to attend a hearing unless directly involved in the proceeding. Any children brought to a hearing will be asked to leave the room.

Immediately following the hearing, the Board's decision will be recorded on the "Decision Notification" form. The form will be signed by all Hearing Board members present at the hearing. The notification and tape will immediately be brought to the office by the Hearing Board members. Failure to comply will result in the immediate removal of that member by the Board of Directors. Hearing Board's outcome may be appealed at the District Court. The appeal must be taken within thirty (30) days of the date of the Notice of Decision to the District Court. The Hearing Board's appeals can be brought to the Wild Acres Board of Directors to make sure procedures have been followed correctly.

No fine/ assessment for a violation of the regulations shall be imposed by the Association without the alleged violator's right to a hearing, heard by the Hearing Board. Each alleged violator will be given notice either by date marked on summons, by certificate of mail or certified mail (at the discretion of the Association), The right of a hearing may be waived by the alleged violator by paying the imposed fine assessment prior to the hearing date. Reasonable time shall be allowed to correct a violation (if it is a violation that can be corrected, at the discretion of the Public Safety Chief and / or Director of Operations.

The member's failure to appear at any hearing date, without a request of, or postponement granted by the Public Safety Chief, will constitute a waiver of alleged violators' rights to contest the impositions and enforcement of any and all applicable assessments and the decision of the Hearing Board becomes final. The member will be given notice of the specific time allotted to request another hearing date. In order to limit the costs to the membership, it is important that the member notify the Public Safety department within this time limit that he will not be able to attend the scheduled hearing and is requesting another date.

The Association must have advance notice to ensure that all employees can be present at the hearing and the Association does not wish to expend unnecessary funds if a member is not planning to attend the hearing. Any member who does not give notice that he will not be able to attend will not be given another hearing date and forfeits their right to a hearing.

REIMBURSEMENT

Members of the Hearing Board are volunteers and will not be paid.

From time to time it may be necessary for the Hearing Board members to appear in court, they will be reimbursed for any proven lost wages. This may be approved by an officer of the Board of Directors or the Director of Operations. The reimbursement form must have an approval signature.

ARTICLE XII
PROCEDURES FOR ENFORCEMENT

At the discretion of the Board of Directors, the fines / assessments to be imposed in any particular instance may be reduced or waived or, in case of repeat violations, may be increased by up to 300% + any costs involved. Members may be fined / assessed for each day of violation as a separate offense. Based upon the circumstances surrounding the case, the Hearing Board may use the sliding scale of minimum and maximum fines/ assessments.

Failure to abide by these rules and regulations and deed restrictions covenants shall subject the violator to penalties and punishment under applicable law and /or fines and assessments as established from time to time by the Board of Directors.

1. The Public Safety Chief and/or Public Safety personnel or Director of Operations gives written notice to the parties involved of the alleged violation via summons notice mailed by the Post Office certificate of mailing, certified mail, or verbal warning.
2. The Public Safety Chief or Director of Operations will determine a reasonable length of time for compliance with the rules, if appropriate, and follow up if necessary.
3. If the violation is not corrected within the allotted time, the Public Safety Chief or Director of Operations will send a summons notice by Post Office certificate of mailing or certified mail. Such summons shall impose the applicable assessment and the accompanying letter will also give the date and procedure for a hearing.
4. Any penalties assessed by the Association are in addition to any criminal penalties that may be assessed by the appropriate Justices or Judges of the Courts of Commonwealth of Pennsylvania. If the member fails to correct the violation and/or pay any fines/assessments imposed, the assessment and finance charges and/or late charges accumulated will be billed against the member's dues statement. Failure to pay dues and assessment, fines and any other charges imposed will affect the member's membership status and he will no longer be considered a member in Good Standing. The Association may also forward the matter to its attorney for the appropriate legal action. The Association reserves the right to recover legal fees, collection costs and any other expenses involved.
5. The Association has the right to seek an injunction against individuals who engage in repeated violations of the same or similar regulations of the Association and take whatever action available by law.
6. In the event that any provision of the rules and regulations, deed restrictions and covenants are determined by a court or other government body having jurisdiction over the subject matter be void or unenforceable, such provision(s) shall be deleted here from, and all remaining provisions hereof, shall remain in full force and effect.

SCHEDULE OF FINES/ASSESSMENTS

The following schedule of fines/assessments is subject to addition, deletion, and modification from time to time by the Board of Directors. The Association's Board of Directors/ Director of Operations, and/or Hearing Board reserve the right to forward any and all violations that may apply for prosecution at those levels and whenever possible will seek restitution for damages, employee expenses and/or losses. Association fees are established by the Board of Directors and may be changed from time to time by board resolution.
