

2025 Gypsy (Spongy) Moth Suppression Opt-Out Request Form

If you do not want your property sprayed, please complete the 2025 Gypsy (Spongy) Moth Suppression Opt-Out Request Form and submit to the Administration Office in person or via email to doo@wildacreslakes.org no later than 4:00pm Thursday, May 8, 2025

Residents of Wild Acres Lakes Property Owners Association who own parcels within the designated spray zone, may exclude their property from treatment. If you prefer that your property NOT be treated for Gypsy (Spongy) Moth larvae, please complete the below form and submit it to Administration Office in person or via email to doo@wildacreslakes.org no later than 4:00pm Thursday, May 8, 2025

These notifications will be forwarded to Bruce's Flying Services, Inc. so that they can create a buffer zone and exclude your property from being treated.

NOTICE: If you are electing to have your property excluded, please understand that "opting-out" will remove your property from treatment.

We, the following, DO NOT want our property spray treated for Gypsy (Spongy) Moth larvae.
